

# Friends of Juniper Hill Field

---

23 June 2023

Dear All,

As we mentioned in our recent update, we are planning to have Juniper Hill Field nominated as an [Asset of Community Value](#) and **we need 21 local people to back the nomination.**

**If you would be prepared to add your name to the application, please get in touch with us at [savejuniperhillfield@gmail.com](mailto:savejuniperhillfield@gmail.com).**

The nomination process requires

1. nominator's reason for thinking the asset is of community value
2. evidence that the nominator is eligible to make a community nomination (must live in the area).

We are working on the application now and once the request has been submitted, the Council will have eight weeks to respond.

Many thanks for your interest and support.

This lovely Bee orchid (*Ophrys apifera*) was photographed in Juniper Hill Field. It is one of five species of orchid to be found there.
